RACE PREVIEW Historic day with the Cox Plate at Flemington. Four of the first five races are down the straight and ICE KOOL (4) goes on top over the 1000m in the opener. He's a progressive gelding who has won 5/8, back to this trip at Warwick Farm last time and proving too strong for a handy one. 53.5kg and Damian Lane looks a recipe for success. SPYWIRE (1) will find this easier than the G2 Schillaci Stakes at Caulfield last start when battling home behind Jigsaw. 1000m suits and he's the class of this field, hence the weight. BRED 'EM ALL (11) comes over from Adelaide off a smart return win, this is a big jump but he's got ability. WAY TO THE STARS (2) comes back in grade from some tough runs in the A-grade in Sydney. He has won here. POINT AND SHOOT (3) likely finds them too sharp but can be running on.

IMPORTANT CHANGES 2. WAY TO THE STARS - Ear Muffs OFF AGAIN | 3. POINT AND SHOOT - Ear Muffs (Pre-Race Only) | 4. ICE KOOL - Tongue Tie | 5. STOKKE - Tongue Tie | 6. MCGAW - Lugging Bit, Tongue Tie

RACE PREVIEW Open race. BARRACKS (4) was thrown up on top last week at double figures and was just held up at a crucial stage when sitting close to a brutal speed, missing by a nose. Not an ideal result there but he backs up within a week and can atone. HALF PIPE (6) didn't have much luck in the same race, closing off well for fifth once clear, albeit he was better suited by the pace up front. PEYTON (8) is very interesting down from Sydney off a solid fifth in the G2 Roman Consul behind Satono Glow. That's top form and J-Mac takes the ride from a potentially suitable wide gate. VALAROSO (5) and TURBO SAINT (9) are both progressive through provincial form, Valaroso should give a sight while Turbo Saint missed the jump at Geelong and can do much better.

RACE PREVIEW TRUE REBEL (2) was too strong beating Meness at Geelong as favourite before getting a mile back at Caulfield behind a very well-rated leader and rattling home to just miss. Was unsuited staying down in trip there and now gets to 2040m from a soft gate. He's close enough to Derby favourite and can justify that with victory here. JOELY (11) looks a filly suited up in trip. She's been good from hopeless spots her past two behind Sainly Dancer who won the Thousand Guineas last week. She'll be charging late. Not giving up on SKUA (4) who just did way too much wrong on a very slow speed last week in the G3 Caulfield Classic. If he gets his manners right he can improve out of sight. SALANN (10) got home well in the Thousand Guineas at 100/1 and looks back on track, respecting. LEPOLO (1) was solid in the Caulfield Classic, unsuited back in the field there. He can improve.

RACE PREVIEW It's a bit of D-Day for the \$5.6 million filly CHAYAN (1) but she's going better than the formguide reads. Never in the hunt first up in the G2 Furious Stakes then ran the fastest last 400m of the day at Caulfield in a race dominated on speed. She's since won a jumpout down the straight and won't be as far off them here in what looks a much more winnable race. AROUSED (11) is very interesting off a dominant maiden win at Ballarat on debut, coming away to score by three lengths in fast time. Straight to 1200m down the straight but she looks plenty talented. ANGELS FURY (3) resumes. She was the boom filly of the Winter but didn't really get to some of the good races she was touted for. Fresh at 1200m is a bit of a niggler but respecting. JACARANDA (4) is consistent and will be thereabouts again, same too LADY CATALINA (6) who was good here behind Satono Glow two back.

IMPORTANT CHANGES 1. CHAYAN - Cross-over Nose Band FIRST TIME | 4. JACARANDA - Nose Roll | 6. LADY CATALINA - Tongue Tie | 8. LADHAR - Cross-over Nose Band | 10. UNKECHAUG - Ear Muffs (Pre-Race Only)

RACE PREVIEW Very interesting race. If this was at Moonee Valley there's almost no doubt JIGSAW (2) would be a clear favourite but the straight is something he hasn't seen in a long time. He's 0/4 at Flemington with two of those down the straight but it's tough to judge him on old form - he's unbeaten in his past eight and going better than ever. Perhaps the straight factor will be overplayed. EXTRAGALACTIC (8) is yet to see the straight but does profile as a horse that would enjoy it given her big turn of foot. She's been excellent in the Moir & Manikato this time in and will be rattling home under J-Mac. SMOOTH CHINO (5) was a strange watch here in the G2 Gilgai. Both Galati & Ben Melham stopped riding before the post in a close finish. Not sure he'd have won that but he can only improve for the experience. REY MAGNERIO (3) was okay behind Jigsaw fresh and can improve here. MAZU (1) beat Joliestar fresh albeit with a very soft lead, he'll run well up on top of the speed.

IMPORTANT CHANGES 1. MAZU - Blinkers, Pacifiers | 3. REY MAGNERIO - Visors OFF FIRST TIME, Winkers FIRST TIME | 5. SMOOTH CHINO - Ear Muffs (Pre-Race Only) | 6. LA FRACAS - Synthetic Hoof Filler | 7. SPLASH BACK - Ear Muffs (Pre-Race Only)

RACE PREVIEW EVAPORATE (2) is also entered in Sydney but finds a nice race if here. The win at Sandown was very good then he hasn't had the best of runs when high up in the weights in the Rupert Clarke & Toorak. Back to set weights and penalties now suits much better and he can bounce back. Speaking of bouncing back, BUCKAROO (6) has a bit of that do do off a 28L defeat in the G1 Turnbull Stakes. Clearly too bad to be true there, the first two runs, especially in the G1 Memsie fresh were excellent. Back in grade, drawn ideally and J-Mac on are huge positives for a horse of his ability. SURFIN' BIRD (12) went too steadily fresh before being allowed to roll at speed and bolt in at Caulfield, running slick time. This is tougher but she's unbeaten at a mile and will give a sight. WELCOMETOTHESHOW (4) was very game in the Toorak when close to a hot speed. Not as well weighted now but have to respect. ANOTHER WIL (7) can do better than last time.

RACE PREVIEW Wide open edition of the Moonee Valley Cup. AETHELWULF (12) and JUJA KIBO (2) come through The Metropolitan and get the visitor's draws. Aethelwulf started \$2.80 favourite there, going back to the fence perhaps wasn't ideal and the tempo was very slow. Juja Kibo was very good coming from just off the speed with a devastating turn of foot to win well. If Aethelwulf is still holding his form deep into the campaign he can turn the tables. PINHOLE (3) is a huge threat off a big win in the G2 Herbert Power, well backed in a driving finish. J-Mac sticks from a lovely middle gate and he's still on an upward spiral. Very wary of KING PEDRO (11) who had a setback leading into the Spring where he was early favourite for The Metropolitan. His return in the G2 Hill Stakes was a beauty, Lane on from a soft draw, just wonder if he's half a run short for this. MR MONACO (7) sat outside a moderate speed and won the G3 Bart Cummings nicely last time. Probably ridden colder here however.

IMPORTANT CHANGES 2. JUJA KIBO - Ear Muffs (Pre-Race Only) | 3. PINHOLE - Synthetic Hoof Filler FIRST TIME | 4. TORRANZINO - Bubble Cheeker (Near Side) | 5. VALIANT KING - Blinkers | 7. MR MONACO - Winkers

RACE PREVIEW The Cox Plate and SIR DELIUS (3) has been set for this race and this race only for some time. Two runs back have been pass marks and while he was going a shade better at this stage in the Autumn his win in the QEII third-up posted a rating that the others will struggle to match. Gets a beautiful map, dry ground and a strong pace to aim at, he goes on top. AELIANA (10) does boast a 3-1 record over Sir Delius including last start in the G1 Turnbull Stakes where she finished hard to grab third. J-Mac goes on fourth up, she'll be tracking into it on the turn and letting rip. CEOLWULF (1) is flying. He backs up from chasing Autumn Glow last week. Ready for 2000m and like the draw where he'll have last say. BIRDMAN (6) was awesome winning the G1 Underwood two back and is a big chance if he gets back to that form - don't write him off. The 3yo's WARWOVEN (11) and BLIND RAISE (12) were both excellent in the Guineas, Warwoven could be special but Blind Raise was huge given the race shape.

RACE PREVIEW TOO DARN DISCREET (1) is going very well without winning this campaign. She got home well in the G1 Toorak Handicap last start to only be beaten three lengths and her Flemington form stands out - last time she was at this track/trip she smashed Land Legend. She'll get back but should be very hard to hold out. PANOVA (2) also comes through the Toorak where she struggled to get warm. The fresh run in the G2 Tramway said she'd come back well and she is a G1 Oaks winner over 2000m. SHOCKLETZ (3) is flying. She had blinkers off (key gear change) in the G2 Herbert Power but still charged home. This is clearly a prep run for the Melbourne Cup so tread very carefully. PERFECT TEN (9) was very good first up off a short spell behind Surfin' Bird and should be better suited at 2000m despite never running beyond 1800m. SOVERATO (13) was much better second up at a huge quote in a good race, ready to peak up in trip now and gets in with no weight for D Lane.

IMPORTANT CHANGES 1. TOO DARN DISCREET - Blinkers, Blinkers (Near Side) | 2. PANOVA - Tongue Tie FIRST TIME | 3. SHOCKLETZ - Blinkers AGAIN | 4. SUNSET PARK - Blinkers, Visors | 6. SUN WORSHIPPER - Pacifiers
